KEEPING IN TOUCH

November, 2021 (3)

Hi Folks,

Just me again. 3 in one month!!!

Just a few additions and reminders to keep you in touch.

Working Bee. Monday 29th, Tuesday 30th. 8.00am..3/4 hours

Thank you to the people who have offered to help on these days. Much appreciated. This work will require physical labour so if do not feel comfortable with performing this task you may excuse yourself. You may wish to come to support others and perhaps help with supplying food and drinks to the labourers.

Gala Days.

Another win at a Gala Day. Marion Sala at Hyde Park.

Well done and congratulations.

Holdfast Bay have become Gala Day warriors:

- Colin Broom won Coromandel Valley,
- Lis Robinson won Brighton, and now
- Marion Sala won Hyde Park.

Excellent performances by all who attended on these days.

Pennants.

Again we are excelling ourselves at pennants. The 24+ team on Monday had a massive win against Hyde Park. 5 games to 1. Well done. Finals will be next. Maybe a flag or two.

Please remember to refer to the Pennant Notice board in equipment shed and in club room for results

COVID REMINDERS

With the borders now open it is more important than ever to be diligent and abide by the **COVID** restrictions that our Government have put in place and how they relate to our club.

A new addition has been added to our game playing board which states "COVID MARSHALL FOR TODAY IS": If you are elected to that position please add your name and wear a **COVID badge**.

Other stipulations

- Masks must be worn whilst inside at the club unless eating or drinking.
- Social distancing - one and a half metre rule

COURTS AND EQUIPMENT SHED

After the work on Court 2, "D" green (the green east of our courts) will be the temporary court until next year.

Please return all equipment to the shed after use and place in the correct spots. By doing this the shed monitor (Colin Broom) has a little less work to do. Colin keeps a record of our equipment. We are audited every year and by placing equipment in the correct place creates less work for Colin. year and by placing equipment in the correct place creates less work for Colin.
